

User logic
process

The diagram consists of a large solid rectangular box on the left containing the text 'User logic process'. To the right of this box is a vertical list of three dashed rectangular boxes. The first dashed box contains 'Monitor: Session 1, Role A', the second contains 'Monitor: Session 1, Role B', and the third contains 'Monitor: Session 2, Role C'. An ellipsis '...' is positioned between the second and third dashed boxes. All elements are enclosed within a single outer frame.

Monitor:
Session 1,
Role A

Monitor:
Session 1,
Role B

...

Monitor:
Session 2,
Role C
